SCHOOL SUPPLY DRIVE

GREATER MISSION BEND AREA COUNCIL

Help the Greater Mission Bend Area Council (GMBAC) fill backpacks for the students of Mission Bend. All students should start off the school year with tools needed to "Make the Grade". Help make it happen by donating school supplies to fill their backpacks. Volunteers will be happy to pickup supplies or monetary donations can be sent to PO BOX 720692 Houston TX 7727. Send email to information@gmbac.com with any questions.

All donors will be featured on the GMBAC website and included on all Back to School advertising.
